PROGRAM CONSULTANT INTEREST FORM

I believe in the concept of that *“it takes a village to raise a child”* and in our children, therefore I am dedicating my time to assist in the creation of published authors. I attest that I am currently working in or have worked with students either in a non-profit organization, public or private school or as an Education Consultant. I understand my state’s teaching curriculums/curriculum maps and or have access to learn necessary information regarding standardized test requirement, English Literature, Language Arts and Grammar as expected of my state schools. I am interested in working with Universal Write Publications LLC as a Program Consultant to help build and strengthen the literature skills and the potential publishing works of the participating students.

Please fill out the details below:

1. Name as it will be listed on your W9 for tax purposes: _____
2. Previous work location that involved teaching curriculum maps in reading writing and Language Arts: _____
