

## TOMORROW'S LEADERS TODAY'S CRISIS QUESTIONS

Your child/student must choose ONE of the following questions and answer it completely following the submission guidelines. Our questions are courtesy and in collaboration with Publisher Denise Rosier and Doris Moore Bailey, Principal and Chief Executive Officer (CEO) of the Bailey Group. For more information about the Bailey Group visit [www.baileysgroup.org](http://www.baileysgroup.org).

### REQUIREMENT

Full requirements, deadline and guidelines are listed in detail in the **Book Project Outline**

### QUESTIONS

1. **MEDIA:** In what way does print and electronic media affect our daily lives? Discuss a positive and a negative as it pertains to your peers, school, community and family. What role do you see media playing in our future?
2. **MUSIC:** Hip Hop, Rap and R&B play a major role in our culture and society affecting how we dress and speak. Are these influences having a positive or negative impact on our culture, youth, educational systems and values? Have we become desensitized to censored music that has made its way to the airwaves?
3. **POLITICS: NEW!** President Elect Barack Obama, the first African American to be elected president of the United States of America. How do you think this historical event will change the face of America and Globally? How does this affect your friends, your family and your community?
4. **POLITICS:** The 2008 Presidential Election is nothing short of historical. A. In the Republican Party, we have the oldest candidate to ever be nominated by a major party. B. In the Democratic Party, we have the first African American ever to be nominated by a major party. How big an impact does age and race play in this electoral process? Why do you think the historical aspect of this election is so important? Give examples.
5. **OIL:** How is the increase of oil and gas affecting your family and community as it relate to your home and geographical location? How do you think the increase in gas prices will affect the automobile industry?
6. **GLOBAL WARMING:** What is the cause global warming? Can 'Green Technology' change the economy for the better? How does 'Green Technology' help the Ozone Layer, Rain Forest and Endangered Species?

Or

### Choose the Bonus question

How do you feel about President George W. Bush's 700 billion bailout plan using Main Street "**Minnie & Joe Lunchbucket**" dollars to bailout Wall Street "**Corporate CEO's**"? Should Wall Street CEO's be given 'Golden Parachutes'? How does this affect you as tomorrow's leaders?
